Sir:

In response to the *Notice Under 37 C.F.R. § 1.251* (copy attached), Applicants hereby submit a copy of the papers listed in the notice under 37 C.F.R. § 1.251 and state that the copies are a complete and accurate copy of applicants' record of such papers.

The application was filed on September 9, 2003, with the Declaration and Power of Attorney. A copy of the stamped PTO Mailroom receipt verifying the filing, along with the Declaration is attached.

On January 14, 2004, Applicants filed the verified English translation, along with a Preliminary Amendment. The filing receipt (copy attached) submitted with the filing erroneously stated that a copy of the executed Declaration and Power of Attorney was attached.

Response to Notice Under 37 C.F.R. § 1.251
USSN 10/657,160

It, in fact, was not. The Declaration, as noted above, was filed with the application on September 9, 2003. A complete copy of the papers filed on January 14, 2004, is attached.

Respectfully submitted,

David J. Cushing

NOTICE UNDER 37 CFR 1.251 - Pending Application

☐ The file of the above-identified application cannot be located after a reasonable search. Therefore, the Office is initiating the reconstruction of the file of the above-identified application pursuant to the provisions of 37 CFR 1.251.

Applicant is given a period of **THREE (3) MONTHS** from the mailing date of this notice within which to provide a copy of applicant's record (if any) of all of the correspondence between the Office and applicant for the above-identified application (except for U.S. patent documents), a list of such correspondence, and a statement that the copy is a complete and accurate copy of applicant's record of all of the correspondence between the Office and the applicant for the above-identified application (except for U.S. patent documents), and whether applicant is aware of any correspondence between the Office and applicant for the above-identified application that is not among applicant's records.

☒ The following paper(s) pertaining to the above-identified application cannot be located after a reasonable search:

Miscellaneous incoming letter and oath dated on 1-14-2004

Therefore, the Office is initiating the reconstruction of such paper(s) pursuant to the provisions of 37 CFR 1.251.

Applicant is given a period of **THREE (3) MONTHS** from the mailing date of this notice within which to provide a copy of the paper(s) listed above and a statement that the copy of such paper(s) is a complete and accurate copy of applicant's record of such paper(s).

Alternatively, applicant may reply to this notice by producing applicant's record (if any) of all of the correspondence between the Office and the applicant for the above-identified application for the Office to copy (except for U.S. patent documents), and provide a statement that the papers produced by applicant are applicant's complete record of all of the correspondence between the Office and the applicant for the above-identified application (except for U.S. patent documents), whether applicant is aware of any correspondence between the Office and the applicant for the above-identified application that is not among applicant's records. Such records must be brought to the Customer Service Center in the Office of Initial Patent Examination (Crystal Plaza 2, 2011 South Clark Place, Arlington, VA 22202).

If applicant does not possess any record of the correspondence between the Office and the applicant for the above-identified application (or any copy of the paper(s) listed above), applicant must reply to this notice by providing a statement that applicant does not possess any record of the correspondence between the Office and the applicant for the above-identified application.

Failure to reply to this notice in a timely manner will result in abandonment of the above-identified application. The three-month period for reply to this notice may be extended (up to a maximum of six months) under the provisions of 37 CFR 1.136(a). However, failure to reply within this three-month period will result in a reduction of any patent term adjustment. See 37 CFR 1.704(b).

☐ A printout from PALM of the contents of the file of the above-identified application is included with this notice.
